## JAIL BREAK

Last Friday evening about 6 o'clock, just as the jailer, Fred LaPointe, was going through the gate into the main corridor of the county jail at Santa Rosa, for the purpose of locking up the prisoners for the night, one Fred Forget, suddenly sprang at him, grasped his throat and with the assistance of two other desperate characters, succeeded in knocking the jailer down, beating him into insensibility, and then dragged him into a cell and locked the door. After taking his pistol and keys, ten prisoners made good their escape. A trusty left the jail, went around the corner, and notified Chief of Police Rushmore, there being no one in the jail office at the time.

Sheriff Smith was immediately notified. The sheriff and his deputies, city police officers and constables, gave pursuit without delay and before many hours had passed, re-captured eight of the ten and returned them to the jail. The keys were also recovered. The two worst prisoners, Anderson and Williams, are still at large. The former had just been convicted of grand larceny and was to have been sentenced in a few days. The latter is in for burglary.

Officers and citizens in all directions have been notified and descriptions of the two desperadoes given. As the officers are keeping up an unremitting hunt, it is not likely that the criminals will be out long.

The maximum penalty for jail breaking, is fifteen years in State's prison. Those who hatched the plot and carried it into execution, should certainly get the limit when caught. Following is a description of the missing men as sent out from the Sheriff's office:

John Anderson is a man about 35 or 37 years of age, weight about 145 pounds, height about 5 feet 7 to 9 inches; looks a dope fiend, face very pale, hair and mustache black, with a navy blue coat and vest, gray pants and light colored hat. He makes very neat appearance.

Thomas Williams is a short built man about 30 years of age; about 5 feet 8 or 9 inches tall; weight about 165 pounds; smooth shaven, dark complexion and wore a dark suit of clothes.

**Cured Hemorrhages of the Lungs**  
"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. Mr. Ake, of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar, and my lungs are now as sound as a bell. I recommend it in advanced stages of lung trouble." Foley's Honey and Tar stops the cough and heals the lungs and prevents serious results from a cold. Refuse substitutes. L. S. Simmons

## The Boxing Contest

Quite a large crowd gathered in O'Rourke's pavilion last Saturday evening to witness the Ireland-Brown 8 round go. The latter did not show up, so a substitute named Wilson, was put in his place. The fight was short and not very much to the liking of the crowd, many of whom thought the affair very poor if not a fake.

## A Lesson in Health

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. L. S. Simmons.

For scratches, burns, cuts, insect bites and the many little hurts common to every family, DeWitt's Carbolized Witch Hazel salve is the best remedy. It is soothing, cooling, clean and healing. Be sure you get DeWitt's, sold by L. S. Simmons.

John L. Sullivan is going to marry again. He surely has grit enough to re-enter the prize ring.

Don't hunt for a place to settle down until you have made some effort to settle up.

**Will Cure Consumption**  
A. A. Herren, Finch, Ark., writes: "Foley's Honey and Tar is the best preparation for coughs, colds, and lung trouble. I know that it has cured consumption in the first stages." You never heard of any one using Foley's Honey and Tar and not being satisfied. L. S. Simmons.

**Galliano's Quinine Tonic**  
Ladies if you want to save the trouble of shampooing your hair, use Galliano's Quinine Tonic, twice a week, also can be used in case of prickly heat. To be rubbed thoroughly in the scalp. If not satisfactory money refunded.

It is a scientific preparation of vegetable acids containing the very same juices found in a healthy stomach. It conforms to the Pure Food and Drugs Law, sold by L. S. Simmons.

### Our Big Celebration

The committees having in charge the big celebration of the Fourth in this city, are working hard to make the occasion a memorable one for the historic old town.

Monster parade, literary exercises, music, races, games and dancing in the afternoon and a grand ball in the evening. There'll be something doing every minute of the Fourth of July in Sonoma. Superior Judge Emmet Seawell, will deliver the oration, R. A. Poppe will be President of the day. Miss Hazel Gies will sing "The Star Spangled Banner."

The people of the whole valley will enter heartily into the Sonoma celebration, besides hundreds are expected from San Francisco and other cities. Hurrah for Sonoma, the historic city!

### MacQuiddy-Dunn Nuptials

The wedding of Miss Anna May Dunn and Mr. Oscar Lee MacQuiddy was celebrated at the home of the bride's mother last Sunday, June 10th, at one o'clock. The ceremony was impressively performed by the Rev. Chas. C. Cragin, pastor of the Congregational Church here. Only relatives of the contracting parties being present.

The parlors were artistically decorated with ferns and pink blossoms. The bride was becomingly gowned in a tailor made suit of green broad cloth. After the customary congratulations, a delicious wedding breakfast was served.

The bride and groom departed on the three o'clock train, amid a shower of rice, for a wedding tour in the Southern part of the state. Upon their return, they will make their future home in Oakland. Mr. and Mrs. MacQuiddy were the recipients of many beautiful and useful wedding presents. They are both well known and popular young people whose many friends extend heartiest congratulations and best wishes for a happy and prosperous married life.

### Distressing Accident

Last Saturday evening, shortly after eight o'clock, a distressing accident occurred on the road near the D. & B. station in El Verano. The automobile belonging to the El Verano Villa, was returning from Sonoma and met a buggy driven by H. F. Lord, the tailor, at the point mentioned. The auto and rig came together with a crash. Mr. Lord and his friend, Capt. Silvia, who accompanied him, were thrown out, the chauffeur and auto were badly injured. At first it was thought that Mr. Lord was seriously hurt, but he was brought to town and Dr. Thomson attended to his injuries. Later in the evening he was taken to his home in El Verano, by Frank Weaver. Capt. Silvia was taken to his room in the Bellevue Hotel. It was soon found that aside from a few bruises and a cut on the leg, no serious injury was sustained by him. While Mr. Lord received a terrible shaking up, no bones were broken and it is sincerely hoped that he will soon be all right again and that no unlooked-for complications will set in. Theodor Wolf, the driver in charge of the auto, applied the emergency brakes as soon as he saw the Ganger but too late to avert a collision. The horse was so badly hurt that it was later shot as an act of mercy, to end its misery. The auto and buggy were both damaged but can be repaired at no great expense. How the collision occurred is no

clear; it happened so suddenly that it was all over before the occupants of the two vehicles realized what had happened. The chauffeur it seems, was thrown forcibly forward on the steering wheel and is suffering from internal injuries that may prove serious. The four other people in the auto were badly shaken up and frightened but sustained no other injury. At last accounts the injured folks were resting easily.

### Enthusiastic Meeting

All the committees of the Fourth of July celebration, met in Union Hall Wednesday evening to further discuss in detail the plans for the big celebration in Sonoma. J. K. Bigelow was chosen chairman and W. O. Hocker secretary. The finance committee reported having secured \$252.50 in subscriptions so far. This sum is not sufficient to pay the expenses of the kind of celebration that it is intended to give. The various committees were instructed to plan out the work, estimating the amount of money needed by each and report to the executive committee at a meeting to be held in the city pavilion this evening, (Friday).

Among the features of the celebration are, big parade, headed by Park's Santa Rosa Band, unveiling of Bear Flag monument in the plaza, literary exercises in Union Hall, horse races in the afternoon and grand ball in the evening under the auspices of the Sonoma Valley Woman's Club. From indications at present, Sonoma will entertain the biggest crowd on that day that has ever been here before.

### Veerland Sentenced

Smith Veerland, the man who confessed to stealing a horse and buggy of Preston Maddux near Fulton and afterwards selling it to John McNeil, of Ohm's Sulphur Springs, was sentenced Tuesday afternoon by Judge Seawell to five years in Folsom prison. It will be remembered that Dep. Sheriff Ryan found the stolen horse in Fred Poulson's horseshoeing shop on Napa street, where it was brought to be shod a few days after it was stolen.

### Escape Captured

John Anderson, the convicted horse thief, who was one of the escapees at the county jail-break last Friday, was captured in Vallejo Tuesday evening as a vagrant. He answered the description of one of the escapees and sheriff Smith was notified. He went to Vallejo Wednesday morning, identified the prisoner as John Anderson and brought him back to Santa Rosa where he was locked in a cell.

### CLASS PICNIC

The twelve little misses who so gracefully executed the handkerchief drill at the recent Bazaar in Union Hall were given a picnic by Miss Minnie Cooke, last Saturday. Mrs. F. W. Dobbie and Miss Cooke, took the young folks in the formers rig, to Sonoma creek near the old Cooper bridge where they enjoyed themselves until late in the afternoon.

### Mr. and Mrs. Hall Entertain

The Ladies' Aid Society of the Congregational Church were delightfully entertained at the home of Mr. and Mrs. Robt. Hall last Tuesday afternoon. There was an unusually large attendance of the members and all enjoyed the meeting immensely. Delicious refreshments were served.

### Granger's Picnic

The Glen Ellen Grange have arranged to give a Basket Picnic in Glen Ellen on June 22. The Grangers are noted for their hospitality and good times and always have delightful picnics. This one will be no exception.

Bert Barber, of Elton, Wis., says "I have only taken four doses of your Kidney and Bladder Pills, and they have done for me more than any other medicine has ever done. I am still taking the pills as I want a perfect cure." Mr. Barber refers to DeWitt's Kidney and Bladder Pills, which are unequalled for backache, weak kidneys, inflammation of the bladder and all urinary troubles. A weeks treatment, for 25c, sold by L. S. Simmons.

There will be four 4-round glove contests, three by athletics from San Francisco and one from local fighters. The proceeds will be for the benefit of the races on the Fourth.

### SCHMITZ GUILTY

The jury in the Schmitz case found Mayor E. E. Schmitz of San Francisco, guilty of extortion, last Thursday evening. The jury was out less than two hours and found a verdict on the first ballot. This verdict was rendered on one indictment charging extortion of \$1,175. The limit on this charge is five years in state's prison.

### Unveil Monument

On next Sunday, the Petaluma Camp, W. O. W., will visit Sonoma in a body for the purpose of unveiling the monument of their deceased neighbor, Peter Baccala, in Mountain Cemetery. The local Woodmen have accepted an invitation to assist in the solemn ceremony.

A man who is in perfect health, so as he can do an honest day's work when necessary, has much for which he should be thankful. Mr. L. C. Rodgers, of Branchton, Pa., writes that he was not only unable to work, but he couldn't stoop over to tie his own shoes. Six bottles of Foley's Kidney Cure made a new man of him. He says, "Success to Foley's Kidney Cure." L. S. Simmons.

## Our Summer Resorts

Nature has greatly favored Sonoma Valley in many ways, mild and equable climate, with no extreme of heat or cold, beautiful scenery, an abundance of the purest water, and hot mineral springs unsurpassed for their health-giving and health-restoring properties.

Many far-seeing and enterprising people, knowing the peculiar advantages Sonoma Valley has over other sections of California have built up a number of summer resorts in this valley, where thousands of people come every year for health and pleasure.

Every resort has found it necessary each year, on account of increasing patronage, to enlarge their accommodations.

We believe a newspaper is not doing its full duty to the community where it is published unless it continually seeks to build up its institutions and exploit its advantages.

The Expositor wishes to make it better known to all health and pleasure seekers that there is no more favorable or enjoyable section in the West than our own Sonoma Valley.

With this end in view, this paper with this issue has started a voting contest which will be continued to August 1, 1907, for the double purpose of keeping the name and fame of our many comfortable resorts before the public and to ascertain which one of them is the most popular.

### CONDITIONS OF THE CONTEST

Each and every yearly subscription, new and old, to the Sonoma Valley Expositor, paid in before August 1, 1907, entitles the person, paying such subscription to 200 votes for his favorite resort. Each 6 months subscription entitles the person paying it to 75 votes for his favorite.

Commencing with this issue in each and every copy of the paper published during the contest a blank coupon will be printed. This, when properly filled out and sent in, counts one vote for the resort named therein.

Send in your votes to day and get in the swim.

### PRIZES

FIRST PRIZE—For the resort receiving the highest number of votes. The Expositor will publish free in a special edition of the paper, a full page illustrated write up of the resort, and will furnish free to the winner of the first prize 1000 illustrated booklets advertising the resort.

SECOND PRIZE—The resort securing the second largest number of votes will get a half page illustrated write up in a subsequent special edition of the Expositor.

THIRD PRIZE—The resort receiving the third highest number of votes will be given free, 1000 neatly printed letter heads, 1000 printed envelopes, of good quality, and 1000 attractive business cards.

The votes received each week will be counted and tabulated each Thursday evening and the result announced in the paper the following Friday. Votes received on Fridays will be announced the following Friday.

Send in your votes now. Don't delay. Get in early and stay in the contest. Go in to win a valuable prize and help to advertise Sonoma Valley, remembering that whatever helps Sonoma Valley helps everybody in it.

## PLATT LUPTON DEAD

Wednesday afternoon about 1 o'clock, Platt Lupton, a workman was found dead in his bed in a cabin on the Hyde Ranch four miles from this city on the Napa road. Jas. Small, a fellow-workman, knowing that the man had not been to breakfast or dinner, went to the cabin about one o'clock to see if the old man needed anything, thinking that he might be sick. He found him lying in bed, as though sleeping peacefully, but it was soon discovered that the unfortunate man had entered into the last long sleep from which there is no awakening. Coroner Blackburn was notified and instructed Undertaker Bates to bring the remains to the morgue. The coroner later came over in his auto and held an inquest at 5:30 Wednesday afternoon. The jury found that the deceased was named Platt Lupton, formerly a resident of Humboldt Co., and about 60 years of age; that he was a half breed Indian; that he had a daughter living in Blue Lake, Humboldt Co., and another daughter living in San Francisco.

Death was due to alcoholism. Deceased had been drinking heavily for several days, after having worked at the ranch for a month, he had been paid off over a week ago.

Mrs. E. A. Olsen, of Blue Lake, Humboldt Co., and Mrs. Rose Smith, 22nd and Vermont Sts., San Francisco, are daughters of deceased. The undertaker telegraphed yesterday to the daughter in the city for instructions as to the disposition of the remains.
